## HOLA!

Taas on vuosi vierähtänyt. Meno maailmalla tuntuu menevän vaan hullummaksi ja varsinkin tällaisina aikoina ihmiset kaipaavat iloa, väriä, sisältöä ja ystäviä elämäänsä ja sitä tarjoaa taas Kustom Kulture Show ja Vintage & Swap! Kansainvälinen kustom kulttuurin get-together party täyttää Kaapelitehtaan 11. kerran. Näytteilleasettajia on tällä kertaa viidestätoista maasta. Kaukaisimmat saapuvat Thaimaasta, Australiasta ja USA:sta. Toivotan teille kaikille oikein antoisaa viikonloppua upeiden ajoneuvojen, esiintyjien, taiteilijoiden ja käsityöläisten parissa.

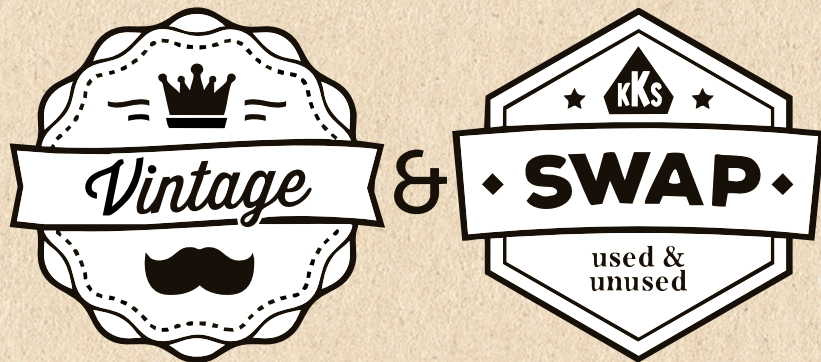

Another year has passed. The world seems to be getting crazier and especially in times like this, people need joy, color, content and friends in their lives, and that's what the Kustom Kulture Show and Vintage & Swap offer again! The international Kustom Kulture get-together party fills the Cable Factory for the 11th time. Exhibitors will arrive this time from fifteen countries. The furthest from Thailand, Australia and the USA. I wish you all a very enjoyable weekend with wonderful vehicles, performers, artists and craftsmen.

Peace & Love!

WICKED VIOLETTA

## KNUCKLEBONE OSCAR

Saturday at 23:30

**Knucklebone Oscar** is Finland's representation of pure ultra wild rock 'n' roll and no-nonsense blues! Known for entertaining, energetic performances and guitar pyrotechniques -Oscar is a wild beast! An expressive singer and an explosive guitar player with a hard hitting band to match.

The music is a punk attitude mixture of Little Richard, James Brown, BB King and rockabilly with a speedy Scandinavian blues-twist. Oscar has been finetuning his show and original rock 'n' roll for years. Countless tours in Europe, China, Russia and in USA. Ten studio albums, a documentary movie, Finland's representation in Blues Wold Championships in Memphis, USA. Burlesque shows, Lazer blues and sweaty gospel, Oscar has done and seen it all. A consummate Entertainer with showmanship to spare!

## REBOUND

Sunday at 13:00

SUN

13:00

From the shadowy backwoods of Scandinavia comes **Rebound!** Finland, a distant land where silent, dark forests have inspired many generations of artists, is home for the band who's songs are crafted from stories of decadence and everlasting love... stories of god-forgotten souls hanging on to their dreams. Songs about winners, losers and hoochie-coochers...

You can find The Lovematches on both days on the Stage of the Vintage & Swap Cafe lounge.
